

part of the
synergy
utilities group

Hello...

I understand that you are looking for a new supplier to care for all your service requirements and I would like to take the this opportunity to introduce **CMC Synergy Utilities Group**. We are a B2B business reseller who can supply you with everything you need from mobile phones, fixed lines, phone systems, gas and electricity packages, vehicle tracking and lone worker solutions.

I am looking to include my company in tendering your process, I believe we can offer a tailor made solution that will not only suit the needs of your business and save you money.

If you would like to learn more about **CMC Synergy** can offer you then please get in touch by either emailing me at **gareth@synergyutilities.net** or calling me direct on **07958 218 628**.

Regards

Gareth Penman

Director

About us

CMC Synergy are the complete provider for Business services in the UK. We have been providing cost effective services with un-rivalled award winning customer care team since 2006 and we have over 35 year's experience between our company directors.

CMC Synergy are a leading provider of integrated voice and data services to more than 1,000 customers in the SME market. We have rightly earned the accreditation of Vodafone Platinum Partner and are one of only 25 in the UK. Our core product was the supply of optimized airtime agreements from UK networks which we achieved by matching our customer's needs to the best solutions that are available.

CMC Synergy now deliver a full suite of business solutions, our services now include fixed line, broadband, phone systems, full wireless solutions, lease lines including content filtering, maintenance, vehicle tracking, lone worker solutions and B2B gas and electricity packages.

Our company operates from our business centres in Liverpool and Northampton. We have enjoyed much success in recent years with an outstanding rate of growth coupled with some notable award wins with our trusted partners. For your peace of mind we only work with our trusted partners, Vodafone, O2, OJ, EE, Chess Telecom, Blizzard, Crystal Ball and DXP.
