HOW TO START PREPARING MPPSC?

Generally it is said that mppsc exam is very simple really it is simple if you follow the pattern of the exam with right strategy, but the cutoff is always very high for mppsc pre exam result. That means for general category students 85 questions must be correct out of 100 to be in a safe zone. You have to make a strategy for **MPPSC preparation** study for at least 4 to 5 hours if you are newcomer, first prepare for the polity and Bare acts (sc-st prevention act, civil rights act etc). Then General knowledge of madhya pradesh like (dams, rivers, national parks, sanctuaries, folk songs, historical places, tribes, political scenario, sports, Culture, sports awards, fairs in mp, Vojana of mp govt.), read about Indian economy and current affairs related to Madhya Pradesh, India. Pratiyogita darpan, news papers, last year exam papers study all don't let any thing PSC exam.
