# AEVITIUM LTD EXPERT SERVICES

Our holistic and simple solutions are tailored to meet the challenges that businesses encounter in today's dynamic environment. With Aevitium LTD, you are choosing a partner dedicated to your success, offering precision, professionalism and expertise, and a steadfast commitment to excellence in every facet of risk and compliance management.

## **Risk and Compliance Consultancy & Advisory**

Align your risk and compliance activities to your business strategy and focus on the optimisation of your firm's resources

## **Risk Management Outsourcing**

Aevitium LTD offers a focused and cost-effective risk outsourcing solution, freeing you from the burden of navigating complex uncertainties while enabling you to effectively manage your cost base.

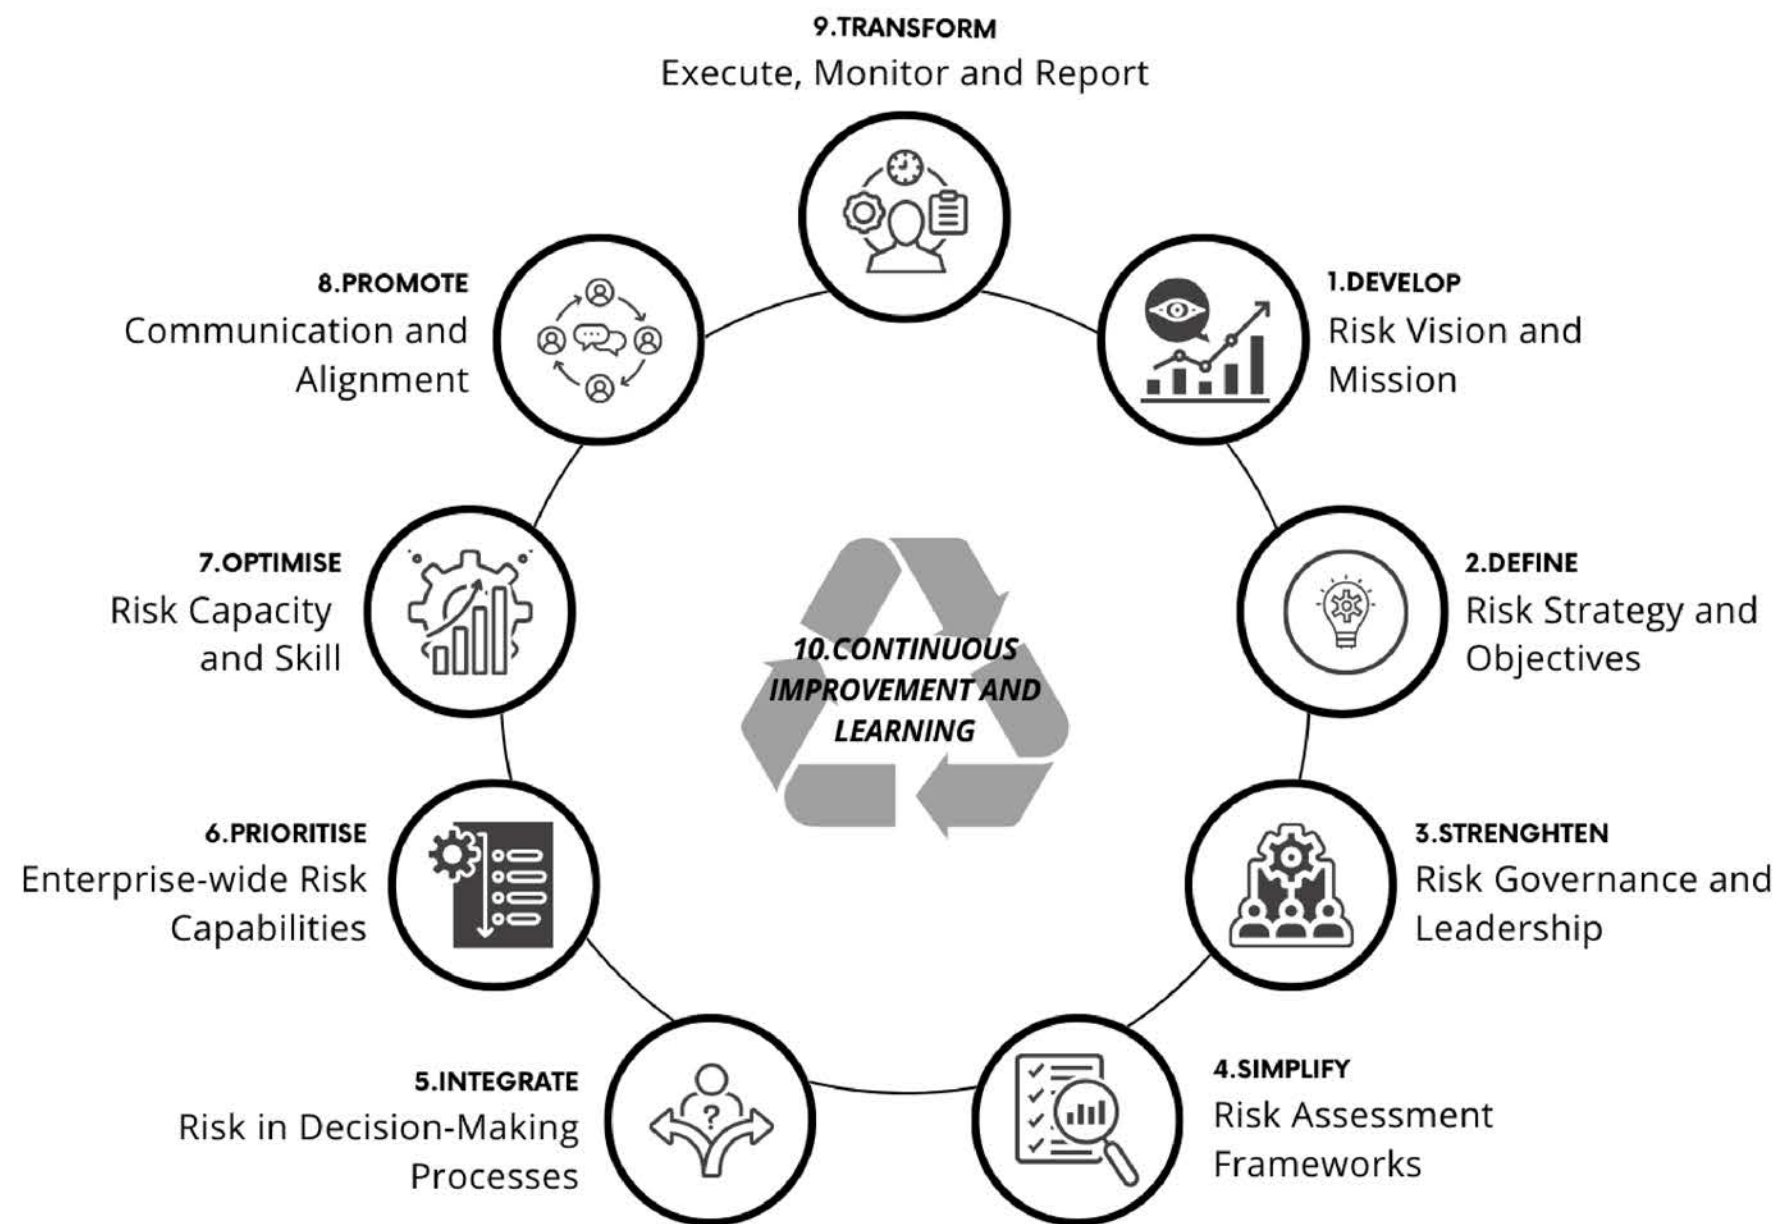

## **Risk & Compliance Training**

Whether you're a seasoned professional or just starting to navigate the world of risk and compliance, we design training solutions to empower you with essential insights and skills.

# FOCUS INTEGRATED RISK FRAMEWORK

Aevitium LTD's Integrated Risk Framework provides you with an independent assessment of your risk framework, to unlock both strategic and operational management of risks, driving value creation, effective risk taking and optimisation of risk resources.

Reinforce your risk capabilities to drive risk based strategic decisions and maximise business value creation

Turn your organisation risk management function into a strategic enabler while optimising enterprise-wide risk resources and costs

Operate as an extension to your team, focusing on coaching and empowerment

# FOCUS RISK MANAGEMENT OUTSOURCING

At Aevitium LTD, we provide a flexible and scalable approach to outsourcing through a subscription model. Choose from quarterly or annual plans that suit your business needs. Additionally, we offer customisation for specialised services such as cybersecurity risk assessments, compliance audits, or custom mitigation strategies, as add-ons to our base offering. Our services extend to one-time projects and retainer-based support, allowing you to tailor the solution that fits your requirements.

Client Delivery Support

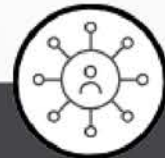

## STRATEGIC ENABLEMENT

Position your firm and your team for success by aligning your capabilities to your business strategy and focus on the optimisation of your firm's resources

## ENTERPRISE RISK MANAGEMENT, POLICY & FRAMEWORKS

Governance & 3 lines models, and risk strategy and appetite.  
Assess, (re)design, roll-out, and embed fit-for-purpose and proportionate risk frameworks, policies and governance to help you to proactively identify and manage risks and to operate safely and efficiently

## MULTI-DISCIPLINARY RISK MANAGEMENT

Financial Risk (e.g. credit and market risks), Non-Financial Risk (e.g. strategic risk, operational risk and resilience, third party, change, technology and cyber security risk, etc.), Geopolitical Risk, ESG risk, Capital (ie. ICAAP & ICARA) and Liquidity (ie. ILAAP)

## REGULATORY COMPLIANCE & CONDUCT

Guide you through the complexity of the regulatory landscape, regulatory approval process and regulatory delivery to enable compliance by design and to ensure that your firm becomes and stays compliant and avoids costly penalties  
Assess and strengthen conduct, risk culture and ethics

## TRANSFORMATION, SYSTEMS & ARCHITECTURE

Transform your risk and compliance capabilities and culture, focusing on alignment of capacity, capabilities, innovation and psychological safety  
Support Governance, Risk and Compliance platform selection and rollout.

# OUR EXPERTISE

We continuously expand our bench capacity and expertise to support you regardless of the size of your organisation.

## OUR FOUNDER

# **JULIEN HAYE**

Julien Haye is an accomplished Chief Risk Officer and Commercially Astute Risk Expert, known for his expertise in risk management and his dedication to servant leadership. As an Award-Winning LGBT Role Model, Julien is committed to nurturing inclusive, risk-aware, and high-performing cultures in the workplace.

With over 24 years of experience spanning the financial services industry, non-profit and charity sectors, and more recently, the housing sector, Julien Haye has held various leadership roles, ranging from front-office trader to Chief Risk and Compliance Officer, transformation leader and non-executive director. Julien provides a rare blend of experience in advising firms on how to strategically align their risk and compliance functions to drive business success while enhancing efficiency and effectiveness.
